## Hot Rods & Harleys and looming disaster

If you didn't brave the weather for the Hot Rods & Harley's show this past Saturday, you missed it....the weather was terrible, but the company and the food were great. Darryl was sick after all his planning and hard work and missed the whole thing. Country's BBQ catered the food and there was plenty of it. We all got T-shirts and dash plaques. We were worried about getting the music equipment put up and not getting it wet. Some of our members got a little soggy trying to take care of things, but all in all, it was a good tire kicking, lie telling and just plain old visiting GOOD TIME!

THE MAY CLUB MEETING

HELD AT JIM & NICK'S

A GREAT TIME

The May club meeting was held at Jim & Nick's on the Atlanta Hwy. We had the "Outside" room.....

Jim & Diann H. were our hosts for the meeting...Jim was upset that they put us outside, but it worked out great. The temperature was wonderful! Good job.

Thanks to all of you who brought baseball caps to Marie. Y'all are fantastic! There will be many, many children and men in Brazil with a smile on their faces, thanks to you.

Welcome to our newest members..... Matt and Stacy Manning have joined our family of street rodders. When you see them, please make them feel welcome.

### Adullam House Work Day.....

Please meet up with us on June 6 at 8:30 a.m. at the Wetumpka McDonalds to caravan to the Adullam House. We will paint, do yard work and help with the children. You only need to bring your drinks.

IT WAS NICE!

It's Gone!

IT'S REPLACEMENT

# This and That.....

---

Jim F. was surely missed at our last club meeting. Carole has been awarded a lifetime membership. Hope she will join us for future outings. No Salt Flats, no up-date on room, no latest on the "Model A", none of the hassle or harassment to Marie S. HE IS MISSED!

Trucks need wiring too! New member, Matt M and Harvey S and Noniel C in a dilemmas over wiring, + Tommy S with POS, ground is having fun?

Mike H doing better with neck problem.....yes, mere necking will help those muscles...plus steroids.

Darrell C and family have another ride??? Darrell had the "bug" and missed the Hot Rods and Harleys Show. Hope you are feeling better, Darrell.

Jim C sold a Mopar so now he can move into a house instead of that trailer.

Many, many thanks for those baseball caps. By July, we should have pictures to share on the web page from Brazil. They are a great start for talking to someone about Jesus! The mission team thanks you too!

How about Benny M???? Lost a lot of weight in front, and has the G.A. in the back....Shoot!! He ain't skinny....He just got taller!! Yes, Benny, very COLD water does have a shrink factor.

Julie H has a birthday on May 30th...not sure of the number (she says 39)....but, not qualified as an antique .....Yet!

Bryant & Pansy W are no longer TOPLESS.....traded for a big back seat and a Playstation in the Trunk! Nice ride!!

Campbell's + liked the "stripper" so much, Hot Rods and Harleys invited the "stripper".

Yes, if we all brought tents and set them up together, we could have a "Tent Event". Guess I said it too fast??

Marie S has FIRED Benny M and Frank R. Too much monkey business. They might be 2/3 of the "Three Stooges". Benny thinks "Bonding Time" may help....I seriously doubt it!!

Jim H says those exercise programs on TV are really wearing him out....or down. After watching them, he doesn't need to get out and walk.

Diann H will be having a total knee replacement in June. Guess we need to cook up some stuff so Jim won't lose weight while Diann is "laid up".

Not as many spouses are showing up at the meetings, since the guys have retired.....the wives are all working to keep them in car parts.

Mavis A is doing well after her stint in the hospital again. Ya gotta quit scaring us....Halloween is not even close!

Bryant W took pictures at this past club meeting....check the web page to see your mug shots!

Thanks to Noniel and Cindy C for the "Flood" pictures from the Hot Rods and Harleys Show. If you missed the show, you missed the "ALMOST" flood.

Gary D had a mug shot in the Millbrook Independent.....Smile big!

SO, YOU WANT A SHOW?? CCSRA, GM High Performance, Corvette and Tri-County Mustang Clubs are getting together for a show in September at Eastchase. We will need you to help it work!!!
